Copy of letter No.84 dated 11th August 1936 from the Honorary Secretaries, Gunamba Maternity and Child Welfare Trust, Mysore, to the Chairman, City Improvement Trust Board, Mysore.

On behalf of the Gunamba Maternity and Child Welfare Trust we have the honor to request the favour of the generous assistance of the Mysore City Improvement Trust in the matter of the grant of sites for the opening of two new maternity and child welfare centres in the Mysore City.

The members of the Trust feel that the activities of this beneficial agency which was instituted by the late Rajasevadhurina Sir M. Kantaraj Urs are sufficiently known to need any emphasis from them. The Trust is already managing six maternity and child welfare centres and a creche, and is helping towards the maintenance of several nursery schools, and its objective is to secure the establishment of a maternity and child welfare centre in every ward in the City. The members of the Trust feel that they will have the full sympathy of the members of the City Improvement Trust in the furtherance of this object.

The two wards for which the Gunamba Trust are anxious now to make provision are the Mandi Mohalla and the Nazarbad Mohalla. In the case of the Mandy Mohalla the Trust already have a centre entitled the Savoy Centre in the Kalammana Gudi Street, but this is located in a rented and inconvenient building. The nurse in charge of the building has come forward with a donation of Rs.3,000/- as a contribution towards the erection of a new centre. To this the Trust have agreed to add a sum of Rs.5,000/- from their own funds, making Rs.8,000 in all. It is obvious that this amount will not be sufficient to acquire a site in the heart of the City in addition to putting up a building upon it. In fact it will be barely sufficient for the building alone.

The site which the Trust have selected for the purpose is a block, chiefly covered by slum houses, lying between the Sawday Road and the Kantaraja Urs Park, and the Gunamba Trust would venture to ask that the City Improvement will be good enough to acquire that and make it over to the Trust for the very worthy public purpose which they have in view. Although this is just over the border of the Mandi Mohalla, it is intended to serve the inhabitants of the area.

The second Mohalla for which it is now proposed to make provision is the Nazarbad Mohalla. In this case the Gunamba Trust have received an extremely generous offer from Mr. V. D. Rajaram Mudaliar, a Vice-President of the Indian Red Cross Society, of Rs.15,000/- for the erection of a maternity and child welfare centre in the Nazarbad Mohalla. After scrutiny of the area the most appropriate site appears to the members of the Gunamba Trust to be the one lying in the vacant land to the west of the Nazarbad Dispensary, the proximity of which would be a great advantage for a maternity and child welfare centre. It is believed that this land belongs to the Mysore City Improvement Trust, and the Gunamba Trust will be greatly obliged if the Improvement Trust would grant permission to build a centre upon it.

Full particulars of any other details that you may require will be given to any officer of the Mysore City Improvement Trust who may be deputed for the purpose.
